April 2018

- Enclosed please find a temporary RV parking application for this summer's **Cattaraugus County Fair, July 30 – August 5.**
- *If you are interested in reserving a site this year, please complete and return the enclosed form, along with your payment. No sites will be held if incomplete.*
- Last year you were assigned # _____. This is for your information only. This does not guarantee you will be assigned the same spot this year.
- *Sites may be booked for the full week (Saturday before Fair, through closing day Sunday) or partial week (Saturday before Fair, vacating site on Wednesday morning). No single nights are available.*
- Temporary RV parking is provided as a convenience for our exhibitors who need to care for animals. We are not a campground.
- *If you bring a dog, please make sure you have rabies documentation available. Dogs must stay in your site area. They are not allowed in the barns or on the midway.*
- Campfires are not allowed.
- *The area provided to you is limited. This is especially true at the end of the week when 10th St. sites are doubled up. Many spots are very close to roads and/or show rings. No extra tents, tarps, tables, structures, toys, vehicles, etc. are allowed. Fair officials will have the final decision to determine whether or not something is considered extraneous.*
- **Campers reserving for the week will not be able to remove camper prior to Sunday night. We will not ask other campers to move for your convenience.**

- *We do not encourage use of private golf carts on the grounds. If you find it necessary to bring a golf cart, please provide proof of insurance along with this application.*
- Trailer pumping is provided by the portable toilet company that services the Fair. Provide cash payment to the front office the night before you want it pumped. This year's rate is yet to be determined.
- *Site assignments will not be confirmed until after July 1. Please feel free to call after this date.*
- Camping has been VERY popular in the last several years. We will make every effort to meet your request, but cannot "save" your campsite because you camped last year. Returning campers will not be guaranteed a spot. If interested, please return your application a.s.a.p. and we will try to meet your request.
