

DEPARTMENT I - POULTRY

Superintendent - Patti Dechow - 938-9140

1. See General Information page 9
2. Poultry will be judged on Sunday, preceding Fair, at 5:00 p.m.
3. Poultry must be in place on Sunday, preceding Fair, by 11:00 a.m. and will be released on Sunday, last day of Fair, at 6:00 p.m.
4. All chickens must be certified Typhoid Pollurum Free. Provide certificates upon entry.
5. All poultry must be identified in the American Standard of Perfection, except for production-type crossbreeds and show class purebreds not found in the Standard. These can only show in the show class.
6. Birds showing signs of lice, mites or contagious disease will be disqualified and must be removed from the grounds by the owner with 24 hours or they will be removed by the Fair.
7. An exhibitor may enter no more than 10 birds total.
8. An exhibit shall be a single bird, except in group classes.
9. Birds hatched prior to January 1 of current year will be considered old. Those hatched after that date will be considered young. No birds hatched after May 1 of current year may be entered.
10. Breed and variety should be identified on the entry form.
11. Exhibitors must care for their birds. They must also supply their own food and water dishes.
